

ENGLISH AS A SECOND LANGUAGE COURSES BY VEGA LANGUAGE ACADEMY

Because of the articulation between VEGA Academy and VEGA Language Academy, VEGA Language Academy administers the English as a Second Language course curriculum for our students from Gr 9 to Gr 12 without any additional fee. VEGA Language Academy offers practical, interactive, and engaging English Language programs and courses, and builds context and meaning into English grammar teaching and integrated English language skills-based courses through real-world content to aid your learning.

Our students develop a deep understanding of writing essays, academic articles, resumes, cover letters while developing your critical thinking skills in English. There is also IELTS Preparation Course available for those who need English Proficiency test result for applying to English-speaking Universities or Colleges.

Our students have the following English course options to choose from throughout their education at VEGA Academy.

- **General English courses**
- **University Pathway and EAP courses**
- **IELTS preparation courses**
